## Our speakers

**Assoc. Prof. Matthew Worthley MBBS PhD FRACP FCANZ** is an interventional cardiologist with a PhD in diabetic cardiovascular disease. Matt is actively involved in teaching of basic and cardiology trainees as well as GP refresher courses.

**Dr Paula Averbuj MBBS FRACP** is a non-invasive cardiologist and nuclear medicine physician who is interested in all spectrums of clinical cardiology with a particular interest in women's health and nuclear cardiology.

**Dr Yann Chow MBBS FRACP** is a clinical cardiologist with special interests in cardiac imaging, valvular heart disease, heart failure management and women's health. Yann is currently undertaking a PhD researching cardiac and vascular function in pregnancy.

**Peta King B. Nurs(Hons) Ph.D. Candidate ACSANZ** is a Registered Nurse with Honors working at SAHMRI as a project manager and PhD candidate. In 2017 Peta commenced her PhD which focuses on assessing cardiovascular risk in women.

**Dr Alistair Begg MBBS RRACP FCSANZ DDU** is an experienced private cardiologist with a special interest in general cardiology, cardiac imaging, cardiac rehabilitation and clinical trials. He has completed his Level 2 CTCA training which compliments his interest in cardiac imaging.

**Dr Richard Hillock MBChB FRACP** is a cardiologist and electrophysiologist with a special interest in ablation of atrial fibrillation and atrial tachycardia. Richard has worked with some of the leading arrhythmia specialists and electrophysiology researchers in Australasia and has a strong interest in GP education.

**Dr Eng Lee Ooi (Daryl) MBBS FRACP** is a clinical cardiologist with special interests in cardiac imaging, management of ischaemic heart disease, cardiac arrhythmias and heart failure. Dr Ooi is originally from Penang, Malaysia and is linguistically fluid in several Chinese dialects.

**Libby Birchmore** is the first nurse practitioner to be authorized by the Nurses Board of SA & the first cardiac nurse practitioner in Australia. Libby works closely with the cardiologists at SA Heart to assist patients referred by them to manage their chronic disease and to modify their cardiac risk factors.

**SA Heart** would like to thank the following sponsors of the educational component of the 2017 Cardiac Symposium
